To whom it may concern

Dear Sir / Madam

RE: Deon Vermeulen and Zii Consulting Quantity Surveyors

Deon's diligence with the cost management resulted in the Plumstead Rusoord being completed within budget. He worked well with the rest of the team, always maintaining a keen attention to detail and went the extra mile to ensure the project goals are met. We would recommend him as quantity surveyor for any new project.

Yours faithfully,

THEUNIS VAN ZYL
