To whom it may concern

PROFESSIONAL SERVICE PROVIDER: QUANTITY SURVEYING: TWO II CONSULTING (PTY) LTD

I, André Nieuwoudt, Acting Director; Directorate : Works Education Infrastructure Delivery; Department of Transport & Public Works; Western Cape Government, hereby confirm that Twoiiconsulting (Pty) Ltd is currently appointed as professional quantity surveyor to our department on various projects.

They were the professional quantity surveyors on the following projects that ran concurrently from Aug 2012 to current to the combined value of R 263 094 272 VAT inclusive:

1. ASIDI GROUP A3: REPLACEMENT OF KENSINGTON SECONDARY, HEIDEVELD PRIMARY AND PORTIA PRIMARY SCHOOLS

a.	Construction value	R 109 273 570.00
b.	Planning start date	Jul 2012
c.	Final account date	Dec 2016

The ASIDI projects are part of the accelerated infrastructure replacement programme of the Department of Basic Education. Project teams had limited planning time and had to do procurement in shortened periods in order to fast track the projects

2. ASIDI B5: DU NOON PRIMARY SCHOOL & VOORUITSIG PRIMARY SCHOOL: REPLACEMENT OF INAPPROPRIATE STURCTURES WITH NEW BUILDINGS

a.	Construction value	R 106 087 151.00
b.	Planning start date	Aug 2013
c.	Anticipated final account date	Jul 2017

The ASIDI projects are part of the accelerated infrastructure replacement programme of the Department of Basic Education. Project teams had limited planning time and had to do procurement in shortened periods in order to fast track the projects

3. COMPLETION OF NALIKAMVA PRIMARY SCHOOL

a.	Construction value	R 47 733 551
b.	Planning start date	March 2013
c.	Anticipated final account date	March 2017

Twoiiconsulting took this project over from another QS firm and had to redo the whole procurement process while also working on the ASIDI projects

4. STANDARD OF WORK:

Twoii QS always provided this Department with the most exemplary professional standard of work on all their projects. Their documentation is of professional quality and extremely

comprehensive resulting in the Department being able to accurately manage and control the budget against the deliverables required.

5. CONTRACT MANAGEMENT

Twoii QS have shown extreme diligence in managing the contracts they were appointed on. They always exercised good cost control on all projects.

6 CONTRACT ADMINISTRATION

Twoii QS have always diligently administered their contracts and submitted their documentation timeously.

7. BUDGETING

Their estimation is always accurate and market related and is assisting us greatly in preparation of budgets.

8. CONCLUSION

In conclusion, we are confident that Twoii would deliver an excellent service to any client that appoints them in future.

Sincerely,

Andre Nieuwoudt
