## 2iiCONSULTING QUANTITY SURVEYORS: TESTIMONIAL

We have worked together with 2iiConsulting on various school infrastructure and private development projects since 2015.

We have also had the pleasure of using 2ii Consulting as a sub-consultant on a recent pharmaceutical project for The Biovac Institute.

- (1) 2iiConsulting provided us the necessary know-how to manage and control the estimates and budgets.
- (2) They also provided us with peace of mind as they managed the various contracts with experience and skill.
- (3) 2iiConsulting offers a client-centric and cost-effective solution.
- (4) They are professional and ethical. Truly a trusted partner.

I would highly recommend 2iiConsulting for anyone looking for a knowledgeable and reliable Quantity Surveying firm.

Should you have any queries please feel free to contact me directly.

Yours sincerely,
